MUNICIPALITY OF NORTH MIDDLESEX

EMERGENCY RESPONSE PLAN

FOREWORD

This plan has been prepared to assign responsibilities and to guide the immediate actions of key officials in the first critical hours after the onset of an emergency in the Municipality of North Middlesex.

This plan has been adopted through By-Law No. 22 of 2004 passed on April 5, 2004 under the legal authority of The Emergency Management and Civil Protection Act R.S.O. 1990, CHAPTER E.9

It is essential that all concerned are aware of its provisions and that every official and service be prepared to carry out their assigned functions and responsibilities in an emergency. Municipal services are to review this plan on a regular basis and keep up to date their own procedures for handling emergencies.

Dated at the Municipality of North Middlesex, Ontario, this 5th day of April, 2004

Mayor

Administrator/Clerk

MUNICIPALITY OF NORTH MIDDLESEX
EMERGENCY RESPONSE PLAN

INTRODUCTION

1. Emergencies are defined as *“a situation or an impending situation that constitutes a danger of major proportions that could result in serious harm to persons or substantial damage to property and that is caused by the forces of nature, a disease or other health risk, an accident or an act whether intentional or otherwise”*

The population of the Municipality of North Middlesex is 6,700 residents.

2. In order to protect residents, businesses and visitors, the Municipality of North Middlesex requires a coordinated emergency response by a number of agencies under the direction of the Community Control Group. These are distinct arrangements and procedures from the normal, day-to-day operations carried out by emergency services.

When an emergency situation can be handled successfully by the emergency services responding; that is Fire Departments, EMS, the Ontario Provincial Police and the Public Works Department, they will, and are authorized to carry out their respective responsibilities in so doing without delay. When, in the judgment of Members of Council or of Fire, Police, or Works authorities on the spot, an emergency situation requires additional resources beyond those available to the emergency services, or calls for resources or services that will commit the Municipality to major expense, they will recommend the immediate activation of this emergency response plan.

3. The Municipality of North Middlesex Emergency Management Program Committee developed this emergency response plan. Every official, municipal department and agency must be prepared to carry out assigned responsibilities in an emergency. The response plan has been prepared to provide key officials, agencies and departments of the Municipality of North Middlesex important information related to:

- Arrangements, services and equipment ; and
- Roles and responsibilities during an emergency

In addition, it is important that residents, businesses and interested visitors be aware of its provision. Copies of the Emergency Response Plan may be viewed at the Municipal Office and available on web – www.northmiddlesex.on.ca

Some information in the document may not be available to the public due to security / confidential reason.

AUTHORITY

4. As enabled by the Emergency Management and Civil Protection Act (EMA) this emergency response plan and its' elements have been:
 - Issued under the authority of the Municipality of North Middlesex By-law #22 of 2004 and
 - Filed with Emergency Management Ontario, Ministry of Community Safety and Correctional Services

5. The Emergency Management and Civil Protection Act R.S.O. 1990 Chapter E.9 is the legal authority for this emergency response plan in Ontario and is the primary authority enabling passage of the by-law formulating this emergency response plan which will govern the provision of necessary services during an emergency. This plan also prescribes procedures under and the manner in which municipal employees and other persons will respond to an emergency. Important measures enabled under the legislation and which form part of this plan, are:
 - a. Authorization for municipal employees to take appropriate action before formal declaration of an emergency;
 - b. Specifying procedures to be taken for the safety and/or evacuation of persons in an emergency area;
 - c. Designating other Members of Council who may exercise powers and perform the duties of the Head of Council under the emergency response plan during the absence of the Mayor;
 - d. Obtaining materials, equipment and supplies for use in managing the emergency;
 - e. Establishing committees and designating employees to be responsible for reviewing the emergency response plan, for training employees in their functions and for implementing the emergency response plan during an actual emergency;
 - f. The expenditure of monies associated with the upkeep and implementation

of the plan; and

- g. Such other measures as are considered necessary in implementing the emergency response plan.
6. A map of the Municipality showing points of significance in an emergency. The map identifies the location of the following sites:
- a. EOC site and alternate site;
 - b. Reception / Evacuation Centres;
 - c. Potential Hazardous Sites; and
 - d. Flood Prone Areas

AIM

7. The aim of the plan is to make provision for the extraordinary arrangements and measures that may have to be taken to safeguard property and the health, safety, welfare, environment and economic health of the residents, businesses and visitors of the Municipality of North Middlesex when faced with an emergency.

It enables a centralized controlled and coordinated response to emergencies in the Municipality of North Middlesex, and meets the legislated requirements of the Revised Emergency Management and Civil Protection Act.

Emergencies can occur within the Municipality of North Middlesex and the most likely are:

Tornadoes during the April to October Tornado Season, Windstorms, Snowstorms/Blizzards, Ice/Sleet Storms, Hailstorms, Lightning Storms, Hazardous Materials-Fixed Site, Hazardous Materials-Transportation Incidents, Critical Infrastructure Failure, Energy Emergencies, Petroleum / Gas Pipeline Emergencies, Fires /Explosions, Human Health Emergencies and Epidemics, Agriculture& Food Emergencies, Fog.

MUNICIPAL TASKS

8. Municipal Tasks are:
- a. Response - the earliest possible recognition of and response to the emergency by all services that may be required;
 - b. Control - the earliest possible establishment of overall control of emergency operations by local government authority;

- c. Crowd Convergence - the earliest possible establishment of controls to minimize crowd convergence and to maintain order at the site so that emergency operations are not impeded and additional casualties are prevented;
- d. Evacuation - assessment of potential danger to the residents and the evacuation of personnel if necessary. Such evacuation will likely require the establishment of a reception centre and the provision of a Registration and Inquiry Services;
- e. Rescue - the rescue of trapped or incapacitated persons and the provision of First Aid at the site;
- f. Casualties - the provision of controlled evacuation and appropriate distribution of casualties to hospitals;
- g. Emergency Social Services - the provision where necessary of such essential social services as may be required for persons affected by the incident as well as the emergency services personnel involved;
- h. Public Information - to make available as early as possible accurate official information to:
 - (i) EMO Provincial Operations Centre upon the declaration and termination of an emergency at (1-866-314-0474 and Fax (416-314-0474)
 - (ii) The County Warden and adjacent Municipalities;
 - (iii) Other officials involved in emergency operations including appropriate senior government agencies;
 - (iv) The news media to allay public anxiety and to reduce the number of curious bystanders at the scene; and
 - (v) Concerned individuals seeking personal information;
- i. Recording of Emergency/Disaster Costs - to ensure that a cost record of emergency/disaster consequences is compiled to:
 - (i) Aid in the preparation of municipal claims which might arise from Provincially directed assistance to another municipality pursuant to the provisions of Section 7(4) of The Emergency Management and Civil Protection Act, R.S.O. 1990,c.E.9 and
 - (ii) Aid in the preparation of requests for compensation from Provincial or Federal Governments in the event of a major

local disaster which might be eligible for such assistance. (Reference should be made to the "Ontario Disaster Relief Assistance Program" (ODRAP) where required).

EMERGENCY SITE MANAGEMENT

Relationship between CCG and Emergency Site Manager (ESM)

9. Depending on the nature of the emergency and once the Emergency Site Manager has been assigned, the CCG relationship with the Emergency Site Manager is to offer support with equipment, staff and other resources, as required. The CCG will also ensure that the rest of the Community maintains municipal services.

Relationship between ESM and command and control structures of emergency responders.

10. The senior representative for each emergency service (police, fire, EMS, public works) at the site will consult with the Emergency Site Manager, so as to offer a coordinated and effective response. Regular briefing will be held at the site and chaired by the Emergency Site Manager, so as to establish the manner and process of handling emergency.
11. In any emergency, the emergency services will be at the scene from the outset responding to the situation as it exists. The senior member of the emergency service responsible for operations at the emergency site will act as Emergency Site Manager until such time as the CCG decides that the nature of the emergency dictates a change in this appointment. There may be a need for an on-site "command post" at the scene; if so this will be established as soon as practicable by the Emergency Site Manager to bring together all emergency service elements operating at the scene for coordinated action. The situation may require more than one Emergency Site Manager and command post where more than one emergency site or major function during an emergency exists.
12. If the situation warrants, the Emergency Site Manager will establish an inner and outer perimeter to define the area around the site and control access. The inner perimeter will define the area within which only emergency response personnel are permitted for reasons of safety, preservation of evidence and security of the scene. The outer perimeter will define the limit within which spectators are not permitted. The area between the inner and outer perimeter will likely contain some or all of the following sites:
 - a. a site command post;
 - b. a triage area;
 - c. a staging area; and

d. traffic control posts.

13. Depending on the type of emergency a variety of outside agencies will respond to the emergency. They should all report to the on-site command post on arrival.

COMMUNITY CONTROL GROUP

14. When it has been decided to activate this EMERGENCY RESPONSE PLAN, the emergency operations will be controlled by the officials listed below who will form the Community Control Group (CCG) for the municipality. The CCG should not be located with the on-site command post at the scene of the emergency.

The CCG will report to the primary Emergency Operations Centre located at the Municipal office. In the event this operations centre cannot be used, then the alternate location will be used. The emergency response will be directed and controlled by the Community Control Group (CCG) – a group of officials who are responsible for coordinating the provision of the essential services necessary to minimize the effects of an emergency on the community. The CCG consists of the following officials:

- a. Mayor and/or Alternate (Deputy Mayor);
- b. Deputy –Mayor and/or Alternate (designated by Council);
- c. Administrator /Clerk; or alternate (Deputy Clerk)
- d. Emergency Information Officer (EIO) (designated by council).
- e. Public Works Representative or alternate;
- f. Fire Chief(s) or Representative(s);
- g. Emergency Medical Services (EMS), or alternate;
- h. Middlesex OPP
- i. Community Emergency Management Coordinator (CEMC); or alternate
- j. Social Services Representative, or alternate
- k. Public Health Unit Representative
- l. EMO representative

Additional personnel called or added to the CCG may include:

- a. Telecommunications Coordinator;
- b. Local electric utility representative (Chatham Kent Inc or Hydro One)
- c. Emergency Management Ontario Representative;
- d. Ausable Bayfield Conservation Authority;

- e. Liaison staff from provincial ministries;
- f. Any other officials, experts or representatives from the public or private sector as deemed necessary by the CCG.

The Control Group may function with only a limited number of persons depending upon the emergency. While the CCG may not require the presence of all the people listed as members of the control group, all members of the CCG must be notified.

SUPPORT AND ADVISORY STAFF

The following staff may be required to provide support, logistics and advice to the CCG:

- a. Deputy Clerk
- b. Legal Services Representative
- c. Treasurer
- d. Amateur Radio Emergency Service (ARES) Coordinator
- e. Other Agencies
- f. County Boards
- g. School Boards/Separate, Public and Private

OPERATIONS CYCLE

15. Members of the CCG will gather at regular intervals to inform each other of actions taken and problems encountered. The Administrator Clerk will establish the frequency of meetings and agenda items. Meetings will be kept as brief as possible thus allowing members to carry out their individual responsibilities. The Deputy Clerk will maintain a status board and maps and which will be displayed and kept up to date.

PRIMARY EMERGENCY OPERATIONS CENTRE AND ALTERNATE EMERGENCY OPERATIONS CENTRE

16. The CCG when alerted will assemble at the Municipal Office which will be known as the primary Emergency Operations Centre (EOC) during the emergency. The Municipal Administrator-Clerk is responsible for the readiness of the Emergency Operations Centre or alternate site. In the event the Municipal Office is untenable the Fire Hall in Ailsa Craig, or the Lake Huron Water Plant on McGillivray Drive, will be the alternate location for the Emergency Operations Centre.

ALTERNATES

17. Alternates are designated for CCG appointments having specific responsibility under this plan. The alternate will act for the member in his/her absence during an emergency or during a prolonged emergency to provide relief for the incumbent. The Deputy Mayor will act for the Mayor when the Mayor is not available. When neither the Mayor or the Deputy Mayor is available, the Member of Council so designated in the Municipal Appointments By-Law will assume the responsibility of Head of Council for purposes of this plan.

TELECOMMUNICATION

18. Adequate communications between the emergency site and the Emergency Operations Centre will be essential. Some or all of the following communications means may be used:
 - a. OPP, Fire Department, EMS & Works Department radio links from their on-site representative to their CCG member; Health Unit
 - b. The closest operating telephone to the emergency location may be utilized if practicable;
 - c. Cellular phones; and
 - d. The Amateur Radio Emergency Service (ARES) is prepared to help with mobile radio equipment and volunteer operators, and can be contacted through the OPP/ ARES coordinator or Red Cross.
19. The Fire representative who will join the CCG in the emergency will be arranged for by the Fire Chief responsible for firefighting operations at the emergency site. The Fire Chief, will decide, based on the situation existing, either to join the CCG in person, to send a senior member of the Department, or to request one of the other Fire Chiefs serving the Municipality to attend.
20. The CCG will need the advice and support of the Medical Officer of Health in any emergency situation. The Mayor at the outset will contact the Medical Officer of Health and if the situation warrants it the Medical Officer of Health will provide a Health representative to join the CCG as soon as possible.
21. The County Social Services Director will act as Social Services Member of the CCG to provide coordination in social services matters in the emergency and will coordinate prior planning for emergency social services arrangements. The County Social Services Director may be requested to provide a Social Services representative to assist with this responsibility

22. The Deputy Mayor will act as the Emergency Information Officer to the CCG. The Mayor must approve the release of any announcements or news releases.
23. Additional CCG members may need to be drawn from various sources to provide specialized knowledge, advice and support; these might include representatives from the County Administration or from Provincial Ministries.
24. When the emergency situation calls for close coordination with a neighbouring municipality the Mayor may request the Head of Council of the neighbouring municipality to appoint a representative to join the CCG to assist in mutual support matters.

CCG ALERTING SYSTEM/FANOUT SYSTEM

25. A serious emergency situation will usually be first identified by the emergency services that will be among the first on the scene. If the on-site Police, Fire, EMS, Public Works representative is satisfied that a serious potential emergency situation exists, he/she will so advise the respective Supervisors (or designate) who will then consider the advisability of assembling the Community Control Group designated in section 14. A decision to assemble the CCG may be taken by any two of the designated members of the CCG, or in the absence of a designated member, by any of the alternates identified in this plan. When a member decides that the CCG should be called together, he/she will contact the Municipal Office who will initiate the telephone alerting procedure.

COMMUNITY CONTROL GROUP OPERATIONS

26. When a working majority of members of the CCG are present at the Emergency Operations Centre, the Mayor will convene a initial briefing of the CCG at which each member will report on information learned about the emergency situation and will make recommendations on action that should be considered by the CCG. The Mayor, with the advice of the members, may then make a decision to implement this plan and to take action to support the emergency services working at the emergency site and/or action to provide for the safety and welfare of residents and the protection of property in the Municipality. If it is decided that the CCG should remain in place to control/monitor the emergency situation, the Chair will call the Group into conference session approximately every half hour for brief reports by each member and for discussion of action required, followed by a break to permit members to direct steps to be taken by municipal services, to contact outside agencies and to develop plans. The responsibilities of the CCG will in most situations be carried out by group assessment of events as they occur, leading to agreement on the action to be taken by municipal authorities and services.

DECLARATION OF AN EMERGENCY

Definition of an emergency

27. The EMA defines an emergency as:

“An emergency means a situation or an impending situation that constitutes a danger of major proportions that could result in serious harm to persons or substantial damage to property and that is caused by the forces of nature, a disease or other health risk, an accident or an act whether intentional or otherwise”

Emergency Notification Procedure

28. Where a threat of an impending emergency exists, the CCG will be notified and placed on standby.

29. Upon receipt of a warning of a real or potential emergency, the responding department will immediately contact the Municipal Office to request that the notification system be activated. Upon receipt of the warning, the Municipal Staff will notify all members of the Community Control Group. Upon being notified, it is the responsibility of all CCG officials to notify their alternative staff and volunteer organizations.

Activating the Emergency Operations Centre

30. The Emergency Operations Centre (EOC) can be activated for any emergency for the purpose of managing an emergency and maintaining services to the community and supporting the emergency site.

A Declared Community Emergency

Where serious and extensive steps to protect property and the health and safety of residents are deemed necessary to cope with emergency conditions, the Mayor may, on the advice of the other members of the CCG, call for a formal declaration that an emergency exists under the provisions of The Emergency Management and Civil Protection Act, R.S.O. 1990, c E.9, s.4 (1) states that "The head of council of a Municipality may declare that an emergency exists in the Municipality or in any part thereof and may take such action and make such orders as he or she considers necessary and are not contrary to law to implement the emergency response plan of the Municipality and to protect, property and the health, safety and welfare of the inhabitants of the emergency area".

The Mayor will notify Emergency Management Ontario (EMO) at (1-866-314-0472 telephone/fax) when a declaration of an emergency is made. The Mayor should also notify the Warden of the County, adjacent Municipalities and the Public.

31. The Mayor of the Municipality of North Middlesex should carefully assess the situation prior to making a decision to declare a state of emergency. The Mayor

- should ensure that,
- a. the information received as to the seriousness of the situation has been confirmed;
 - b. the situation involves an extended evacuation, or a significant degree of damage, loss of life or threat to the environment; and
 - c. additional resources are required to support the emergency services.

A formal declaration of an emergency will,

- a. invoke the Emergency Management and Civil Protection Act and provide for protection from personal liability;
- b. provide authority to expend funds without reference to council; and
- c. provide coverage under the WSIB for registered volunteers.

A Declared Community Emergency

- 32.** The Mayor or Acting Mayor, as the Head of Council, is responsible for declaring an emergency. This decision is usually made in consultation with other members of the CCG.

Upon declaring an emergency, the Mayor will notify:

- a. Emergency Management Ontario (EMO);
- b. Municipal Council;
- c. County Warden;
- d. Public;
- e. Neighbouring community officials, as required;
- f. Local Member of the Provincial Parliament (MPP);
- g. Local Member of Parliament (MP)

A community emergency may be terminated at any time by:

- a. Mayor or Acting Mayor; or
- b. Municipal Council; or
- c. Premier of Ontario

When terminating an emergency, the Mayor will notify:

- a. Emergency Management Ontario;
- b. Municipal Council;
- c. County Warden;
- d. Public;
- e. Neighbouring community officials, as required;
- f. Local Member of the Provincial Parliament (MPP);
- g. Local Member of Parliament (MP)

Request for assistance

33. Assistance may be requested from the County at any time by contacting the County Warden. The request shall not be deemed to be a request that the county assume authority and control of the emergency.

Community Control Group Responsibility

34. The members of the Community Control Group (CCG) are likely to be responsible for the following actions or decisions:

- a. Calling out and mobilizing their emergency services, agencies and equipment;
- b. Coordinating and directing their services and ensuring that any actions necessary for the mitigation of the effects of the emergency are taken, provided they are not contrary to law;
- c. Determining if the location of the CCG are appropriate;
- d. Advising the Mayor as to whether the declaration of an emergency is recommended;
- e. Advising the Mayor on the need to designate all or part of the municipality as a disaster area for the purpose of obtaining funding through ODRAP;
- f. Ensuring that an Emergency Site Manager (ESM) is appointed;
- g. Ensuring support to the ESM by offering equipment, staff and resources, as required;
- h. Ordering, coordinating and/or overseeing the evacuation of inhabitants considered to be in danger;
- i. Discontinuing utilities or services provided by public or private concerns, i.e. hydro, water, gas, closing down a shopping plaza/mall;
- j. Arranging for services and equipment from local agencies not under community control i.e. private contractors, industry, volunteer agencies, service clubs;
- k. Notifying, requesting assistance from and/or liaison with various levels of government and any public or private agencies not under community control, as considered necessary;
- l. Determining if additional volunteers are required and if appeals for volunteers are warranted;
- m. Determining if additional transport is required for evacuation or transport of persons and/or supplies;
- n. Ensuring that pertinent information regarding the emergency is promptly forwarded to the Emergency Information Coordinator and Citizen Inquiry Supervisor, for dissemination to the media and public;
- o. Determining the need to establish advisory groups and/or sub-committees/working groups for any aspect of the emergency including recovery;
- p. Authorizing expenditure of money required in dealing with the emergency;
- q. Notifying the services, agency or group under their direction, of the termination of the emergency;
- r. Maintaining a log outlining decisions made and actions taken, and submitting a summary of the log to the Administrator Clerk within

- one week of the termination of the emergency, as required;
- s. Participating in the debriefing following the emergency.
- t. Addressing the emotional needs of the effected public and staff through Critical Incident Stress Management (CISM) assistance.

EMERGENCY RESPONSE SYSTEM

The individual responsibilities of the Community Control Group (CCG) Members

35. **MAYOR:** The Mayor, with the advice of the CCG, will be responsible in the Emergency for:
- a. Chairing meetings of the CCG, making decisions, determining priorities and giving direction to the heads of Municipal services;

- g. Provide essential housekeeping for the EOC, procurement of food services and supplies

RESPONSIBILITIES OF SUPPORTING AGENCIES/OFFICIALS

57. **COUNTY SOCIAL SERVICES**

The County Social Services Officer should be contacted as soon as an emergency occurs so that he can assist the Municipal Social Services Member to:

- a. Arrange for the opening, operation, direction and supervision of reception welfare centres to provide emergency social services as required; and
- b. Liaise with volunteer community agencies to assist in humanitarian functions;

58. **ST. JOHN AMBULANCE**

St. John Ambulance has a capability in all areas of First Aid, including Mobile First Aid Stations, Ambulance and Medical transport, Nursing and Child Care and will respond to requests at any time, as well as under emergency and disaster conditions. Also available is an emergency lighting and generator unit, mobile canteen service unit, designed for response under emergency or disaster conditions. These volunteers are on 24-hour call, the response teams are governed by a time lapse of 30-45 minutes. Members must respond to St. John Headquarters, signaled by radio or pager, for assembly and duty assignments. Additional equipment available includes wheelchairs, walkers, crutches and stretchers. Local unit response by up to 50 members has the option to draw up to 100 members from the surrounding district. Requests for St. John Ambulance services are to be routed through the Fire Communications Centre.

59. **CANADIAN RED CROSS:**

The Red Cross will assist the community in an emergency in the form of a Registration and Inquiry Service as described in the Department of National Health and Welfare "Registration and Inquiry Manual". This service will assist the public in locating immediate relatives who have left their homes as a result of the emergency. Inquiry services may be operated from outside the disaster area in accordance with Red Cross standard operating procedures and may involve the assistance of the Amateur Radio Emergency Service. When an inquiry service is activated, the Red Cross will arrange that the telephone number(s) to be used by relatives making inquiries is publicized through the Media. Municipalities should collect the data required by these forms prior to the arrival of the Red Cross.

60. **HOSPITALS:**

Area Hospitals are prepared to implement their Medical Disaster Plans as required. The Medical Disaster Plan is activated on the advice of the Police and the Ambulance Services.

61. **AMBULANCE SERVICES:**

The Central Ambulance Communications Centre is responsible for the dispatch of ambulances in the County, on calls from Police, Fire Services and other sources, operating 24 hours per day. An ambulance station is located in the

Town of Parkhill, 179 Mill Street

62. **SALVATION ARMY:**

The Salvation Army has an emergency capability in welfare, short term accommodation, clothing and food services and will respond, within their budgetary capabilities, when requested by the CCG.

63. **AMATEUR RADIO EMERGENCY SERVICE (A.R.E.S.)**

ARES is the volunteer group which coordinates Amateur radio in the area. They are prepared to establish emergency radio communications for any purpose required including registration and inquiry services and communications between hospitals.

64. **SCHOOL BOARDS:**

Most School Boards have developed emergency preparedness plans. These plans may involve the assembly of a School System Emergency Management Team that will provide direction to School Principals in the event of an emergency. To ensure that they are kept informed about the emergency they may ask to send a liaison officer to the municipal CCG. School Boards may be asked to provide their Board facilities for use during the emergency.

CASUALTY MANAGEMENT

65. Arrangements for coping with casualties in an emergency are made jointly by the Ambulance Services and the Hospitals serving the County. The Central Ambulance Communications Centre on calls from Fire and Police authorities will dispatch ambulances. Ambulance, Fire or Police authorities may call upon further assistance from area hospitals in handling mass casualties as the situation warrants. The St. John Ambulance, normally alerted through the Central Ambulance Communications Centre, is prepared to assist with mobile first aid posts and ambulance units when called on.

POPULATION EVACUATION

68. It may be necessary in an emergency for the residents of an area of the Municipality to be temporarily evacuated from their homes for their own welfare and safety. Such a requirement may be of an urgent or short-notice nature caused by an immediate hazard and decided upon and directed on the spot by Police and/or Fire authorities. A less immediate but probably larger scale evacuation could be decided upon and directed by the Community Control Group, as in the case of an impending flood situation. The aim in any such

operation will be to care for the evacuated persons, to bring families together and to re-establish residents in their homes as soon as possible.

69. The evacuation plan for the Municipality of North Middlesex is on file.
70. The Municipality will need media cooperation to provide the CCG with the means to communicate with the public during the emergency. It is thus in our own interest to be prepared to respond to media requests for information.
71. Action should be taken by the Emergency Information Officer to establish an Emergency Information Centre near to but not in the Emergency Operations Centre Room. The EIC should have telephone and electrical outlets and should provide space for news conferences and briefings. News conferences should be scheduled for both the public and the media
72. Further information with respect to the Communications/Media Plan is on file.

FLOOD CONTROL

73. A flood contingency plan applicable to the Municipality is maintained by the Conservation Authority.

SPECIAL HAZARDS (taken from the Community Risk Profile)

74. The Municipality of North Middlesex has the potential of experiencing an emergency based on any of the following circumstances:
 - a. Winter Storms:
 - Snowstorms
 - Blizzards
 - Ice/Sleet Storms
 - b. Windstorms/Tornadoes
 - c. Hazardous Material-Fixed Site
 - d. Energy Emergencies
 - e. Critical Infrastructure Failure(due to electrical outage)
 - f. Hazardous Materials/Transportation Incident or Accident
 - g. Petroleum/Gas Pipeline Emergencies

h. Fires/Explosions

i. Human Health Emergencies & Epidemics

75. There are a few industrial sites in the Municipality that are considered to present Special Hazards.

76. Preparations to respond to these special hazards require that the CCG be provided with essential data. The following information should be readily available at the Emergency Operations Centre:

a. Maps identifying the following:

(i) Transportation routes;

(ii) Pipeline data;

(iii) Municipal drains; and

(iv) Municipal wells;

b. Information sheets on nursing homes;

c. Resource Directory

COUNTY ASSISTANCE

77. When the support and assistance of County Services are needed in an emergency situation the Mayor may contact the Warden or the CAO of the County or the County Engineer or County Social Services Administrator to request such assistance.

PROVINCIAL ASSISTANCE

78. The Mayor may request assistance from the Provincial Government at any time. Locally arranged support such as technical advice from District representatives of the Ministry of the Environment or help from Ministry of Transportation installations in the County can be arranged directly with local Ministry authorities. Further help from Provincial sources can be requested through the EMO representative with the CCG. In life-threatening situations, requests for assistance will be made directly to Provincial and/or Federal organizations through EMO as soon as possible.

79. In the case of flood control assistance, help from the Ministry of Natural Resources can be requested through, and with the advice of, flood coordination officers of the Ausable-Bayfield Conservation Authority.

OTHER ASSISTANCE

80. Outside organizations prepared to assist in an emergency within their capability and expertise include the following.
- a. **Environment Canada.** Environment Canada can provide information on weather conditions as they affect emergency operations.
http://weatheroffice.ec.gc.ca/warnings/warnings_e.html
 - b. **Ministry of the Environment** The Ministry of the Environment through their Regional Offices in London or the Toronto "Spills Action Centre" are able to provide advice in handling serious oil and chemical spills and discharges;
 - c. **Department of Communications.** The London District Office of the Federal Department of Communications is prepared to provide advice and assistance on communication matters in an emergency;
 - d. **Ministry of Agriculture, Food and Rural Affairs.** The Ministry of Agriculture, Food and Rural Affairs through their County Office could provide advice with respect to the effect of hazardous vapors on crops and animals;
 - e. **Ministry of Natural Resources.** The Ministry of Natural Resources through their District Office would act as Lead Ministry for floods or forest fires.
 - f. **Emergency Management Ontario.** The Chief, Emergency Management Ontario, Ministry of Community Safety and Correctional Services, is prepared to provide advice and assistance in an emergency, particularly with matters of Provincial Government Support;
 - g. **Insurance Bureau of Canada.** A coordinator for the Insurance Bureau of Canada is available in London to organize insurance company action on claims adjustments under emergency conditions;
 - h. **Snowmobile Assistance.** The Cabineers can assist in organizing snowmobile operators help for the urgent movement of people, medicines and supplies in a serious winter storm;
 - i. **Canada Employment.** The local Employment Centre can assist by organizing extra emergency workers at a central location;

- j. **Department of National Defence.** Land Forces Central Area Support Unit London has limited resources of personnel and equipment. Assistance should be requested through Emergency Management Ontario 1-800-314-0472 as Provincial / Federal costs may be involved;
- k. **Bell Canada** Bell Canada has Emergency Response Plans for restoration or installation of essential telephone services as well as telephone-equipped vehicles which can be positioned at emergency sites to augment Municipality communication capabilities;
- l. **Union Gas.** Union Gas has Emergency Response Plans and appropriately trained personnel and equipment for restoration of essential gas mains and services and has radio-equipped vehicles which can be positioned at emergency sites to coordinate the activities of Union Gas with other utilities and civic services. Their knowledge and relay of such to municipal officials, regarding location of gas lines, control points and emergency procedures may be of prime importance in many emergencies;
- m. **Broadcasting Stations.** The utilization of the local broadcasting stations may play a very significant role under emergency conditions particularly where Land Line communications are disrupted or overloaded. They can be used to request public cooperation in freeing telephone circuits for emergency use, passing warnings or official status reports to the public, answering mass inquiries, passing instructions to emergency department personnel upon departmental request, requesting public assistance in traffic control problems, and seeking private sources of particular supplies, facilities or skills. They have emergency electrical power. Refer to the Media Plan Annex H for further details;
- n. **Press.** The use of the Press will play an important role as a means of giving explicit and perhaps lengthy directions to the public, especially in incidents of some duration like heavy snow emergencies. For example, official releases on actions to take in blizzard conditions may contain detailed information on
Utilities precautions, emergency Social Services, Fire, Police, Engineering and Health measures in one concise release. Such releases used as an action checklist are an excellent means of mass communications;
- o. **Ausable Bayfield Conservation Authority.** Advice on flood control can be obtained from the Conservation Authority. The Watershed Flood Warning System provides a plan to warn of imminent flood conditions. This plan lists Municipal Flood Coordinators and alternates in each municipality of the watershed;

EXERCISING THE PLAN

- 81. An **annual** exercise shall be held, at the direction of Council, to test the

- Emergency Response Plan.
82. Each new Municipal Councillor will be briefed on the Municipal Emergency Response Plan by the Administrator/Clerk

REVIEW / AMENDMENT OF THE PLAN

83. The requirement to keep this EMERGENCY RESPONSE PLAN current dictates that the following duties be assigned with respect to an annual review of the plan:

a. **Duties of the Administrator/Clerk**

- (i) Request that each member of the Community Control Group review the plan annually;
- (ii) Review the CCG alerting plan;
- (iii) Review the list of useful telephone numbers;
- (iv) Ensure that the Emergency Operations Centre equipment and data are current;
- (v) Publish routine amendments as they occur; and
- (vi) Process major changes to the Emergency Response Plan for Council approval.

b. **Duties of the Public Works Superintendent**

- (i) Maintain the currency of the data on the Map;
- (ii) Maintain the currency of Resource Directory; and
- (iii) Maintain the Flood Contingency Plan.

c. **Duties of the Fire Chief(s)**

- (i) Maintain the accuracy of the list of Special Hazards and
- (ii) Assist the Public Works Superintendent in the maintenance of the Resource Directory.

d. **Duties of the Emergency Information Officer(EIO)**

- (i) Maintain the currency of the Communications/Media Plan

e. **Duties of the Social Services Representative**

- (i) Maintain the currency of the Evacuation Plan;
- (ii) Maintain the accuracy of the Information Sheets;
- (iii) Maintain the plan for reception centres and
- (iv) Maintain the currency of Registration and Inquiry.

84. Amendments to all Tabs can be initiated without reference to Council.
