

Instructions for Site Plan Approval Application

PLEASE DETACH AND RETAIN THE FIRST TWO PAGES FOR FUTURE REFERENCE

BACKGROUND INFORMATION

This process pertains to an application for site plan approval pursuant to Section 41 of the Planning Act. Prior to the Municipality processing the application, it is required that a copy of the attached application form be completed including the site plan submission package detailing the requirements of the North Middlesex Site Plan Checklist (attached) and a deposit of \$1000. Please also note that the Municipality requires an electronic submission of all drawings that form part of the application.

Please note:

- The application must be completed in metric units.
- The site plan must be prepared by a qualified professional such as a civil engineer, architect, landscape architect or land surveyor.
- The receipt of inaccurate information may cause delays in the processing of this application.
- Additional information, studies and/or reports may be required by the Municipality prior to approval being granted. The Municipality reserves the right to determine what information is necessary in order to properly process an application.
- Applicants are responsible for the Municipality's costs in reviewing the plans and developing the site plan agreement (i.e. all engineering and solicitor's fees incurred by the Municipality will be invoiced to the applicant).

APPLICATION SUBMISSION

Please submit the application, sketch and fee to:

Municipality of North Middlesex

APPLICATION PROCESS

Step 1	Consult with Staff: Applicants are strongly encouraged to meet with our planner prior to submitting an application. Failure to pre-consult may result in a delay.
Step 2	Application submission: Complete the attached application form and include the required site plan drawings and processing fee.
Step 3	Application received and reviewed for completeness/correctness: The file is opened timelines for processing are established by the Municipality, and according to the <i>Planning Act</i> .
Step 4	Application Circulation: The application is circulated to agencies and municipal departments for review and comment.
Step 5	Evaluation: Staff undertakes an evaluation of the application using the relevant planning documents. A site plan agreement is also prepared which stipulates the terms of the development of the subject land. The applicant is advised of any recommended changes.
Step 6	Consideration before Municipal Council: Upon the completion of satisfactory site plan drawings and associated site plan agreement, the implementing by-law is forwarded to Municipal Council for consideration of approval.
Step 7	Agreement Registration: Once you have signed the site plan agreement, your solicitor is required to register the agreement against the title of the subject land.
Step 8	Building Permit: Upon receipt of written confirmation of the registration of the agreement, the Building Department will be in a position to issue a building permit to commence the proposal, pending the approval of building plans and the payment of various fees; including but not limited to site plan security, development charges and building permit fees.

APPEAL TO THE LOCAL PLANNING APPEAL TRIBUNAL

The applicant has the right to appeal Council's decision to the Local Planning Appeal Tribunal (LPAT) if the Municipality fails to approve the Site Plan within 30 days after being submitted or if the Municipality has imposed a Site Plan requirement that the applicant finds unreasonable. The appeal must be filed with the Clerk of the Municipality. An appeal to the LPTA must be accompanied by the prescribed fee and submission of the required form downloadable from the LPAT's website. If an appeal is received, the LPAT will arrange for a hearing, which currently may take up to six months to schedule. The decision of the LPAT is considered final.

There are no third-party appeal rights in respect of site plan approval.

General Site Plan Requirements:

General Page Layout:

- North arrow and standard metric scale
- Symbol key with legend
- Owner's name, site address and legal property description
- An area on the bottom right of the page for the approvals stamping

General Site Plan Information:

- Dimensions of the site provided by a survey
- Location and use of all existing and proposed buildings and structures on the site. Please clearly distinguish between existing and proposed facilities and any buildings to be demolished
- Traveled portions of roadways, municipal sidewalks, and access driveways including those of adjacent properties. Label street names
- Parking area layout, pedestrian connections, ramps, loading areas (including minimum dimensions, typical dimensions, curbing and surface material)
- Accessible parking facilities as well as signage. Also consider accessibility in the design of pedestrian facilities (e.g. connections to municipal sidewalks and internal circulation)
- Location, height and type of all proposed fencing
- Location of all existing and proposed poles (including guys), transformers, hydrants on the site and on public lands abutting the site. Include dimensions to trees and buildings for electrical facilities
- All site lighting (attach a light spillage plan, if appropriate)
- Location of snow storage
- Lot coverage percentage and total lot area
- Plans showing the location of all facilities and works to be provided
- Location, size and description of all adjacent buildings located within six metres of the property boundaries
- Property Identification Number (PIN)

Zoning Information:

- Site Data Table with zoning information applicable to the property
- Minimum setbacks of structures (buildings, signs, parking) from property lines
- Amenity areas including their functional use (e.g. equipment and furniture that defines the area for recreational use)
- Landscape strips and fencing, if required
- Location and type of enclosure to be used for storage of garbage and other waste material unless waste material is stored within the building (note in Site Data table)
- All existing and proposed easements, rights-of-way and lands to be dedicated for public purposes

Fire Information

- Location of closest fire hydrant (identify as existing or proposed)
- Designated fire routes
- State whether or not the building is to be sprinklered
- Location of fire department connections (standpipe/Siamese)

Building Information

- Finished floor elevations of buildings
- Maximum dimensions of buildings and minimum distance between buildings
- Location of all building entrances

Grading and Servicing Plan Requirements:

General Information:

- Symbol key and legend
- Proposed and existing structures and buildings, driveways, parking areas and curbs
- Identify existing services (storm, water, sanitary) and specify if existing services will be used
- Location, size and depth of cover of storm, water and sanitary services

- Invert of storm, sanitary and water laterals at the point of connection
- Type of surfacing (e.g. sod, gravel, asphalt, etc.)
- All existing and proposed manholes, poles (including guy wires), transformers, hydrants on the site and on public lands abutting the site
- Existing and proposed siamese or standpipe connection
- Identify all existing and proposed easements, rights-of-way and lands to be dedicated for public purposes

Grading

- Existing and proposed grade elevations (referenced to Benchmark elevation) include relative street grade elevations and grade at property lines
- Direction of surface drainage flow through use of drainage arrows
- If catch basins are to be used, show proposed storm sewer hookups and storm laterals including size, location, and catch basin rim elevation
- If storm water management design is required, state maximum detention time of pond, maximum flow and maximum storage volume for a 5 and 100 year return period storm
- Swales and drainage ditches (indicate slope and side slopes and, where required, cross-sections)
- Elevations of individual internal driveways where a depressed driveway may exist

Application Submission Requirements for Maps:

- One electronic copy in a high resolution PDF format
- Three printed copies full size and folded, minimum
- One legal size printed copy for agreement purposes

Plus: any other drawings and reports identified at the pre-consultation meeting as part of the submission.

I have read and understood this information and its requirements
