

NOTICE TO LOCAL BUSINESS OWNERS

**PARKHILL MAIN STREET REHABILITATION
ELGINFIELD ROAD TO PARKHILL DRIVE**

As part of the overall plan to improve the drinking water distribution system within the community of Parkhill, the Municipality of North Middlesex intends to replace and upgrade the existing water main on Parkhill Main Street from Elginfield Road to Parkhill Drive and along Elginfield Road from Parkhill Main Street to West Park Drive. This project is being planned as a Schedule A+ undertaking under the Municipal Class EA Planning Process and, as such, is Pre-Approved under the Environmental Assessment Act.

You are invited to attend a meeting for Parkhill Business Owners to learn more about the project and discuss your construction-related concerns about this project. Opportunities to discuss the project its staging and impacts will also be addressed. Staff from the Municipality and the Engineering Consultant will be in attendance to receive your comments and discuss your concerns.
